Transition Notice: Wallaby™ Self-Service Stands & EMV Cradles

Product Information

Elo is introducing new Wallaby Self-Service Stands that offer support for the 15- and 22-inch Android I-Series 4 as well as expanding the EMV Cradle line to provide compatibility to more EMV payment devices.

For customers who already have the current Wallaby Self-Service Stands and want to utilize them with the Android I-Series 4, Elo is also offering a new mounting bracket kit (E351978) to support compatibility. While we work to minimize product changes, product refreshes are needed from time to time to keep the product current with new technology and features.

Inventory and Ordering Information

- Samples of E351978 will be available February 2022.
- Samples of E421137, E421325, E458605, E458797 and E458992 will be available March 2022.
- Please consult with your sales representative for specific part numbers, details and sample availability.
