## Discontinuation Notice: IntelliTouch<sup>®</sup> SAW Touch Screens & Controllers

### Description of Change

Please be advised that the IntelliTouch<sup>®</sup> SAW touch screens and controllers are being discontinued. As a replacement, we recommend transitioning to Elo's TouchPro<sup>®</sup> PCAP touch screens and controllers, which offer enhanced performance and long-term availability. Elo's TouchPro PCAP touch screens outperform SAW by maintaining precise calibration and resisting interference from surface contaminants. For assistance with this transition, please contact our representatives to discuss your replacement options. While we work to minimize product changes, some are necessary over time. When this occurs, we try to offer a suitable replacement product with equal or better specifications.

### Inventory and Last Time Buy

- Remaining inventory will be available on a first-come, first-served basis. We will work closely with existing customers to navigate this transition.
- Last time buy orders will be accepted through **January 30<sup>th</sup>, 2026** with last time ship to be completed by **July 31<sup>st</sup>, 2026**
- Please consult with your sales representative for specific part numbers and details.

### Contacts

For more information on price and lead time for ordering products, please contact Elo customer sales and support for assistance.
