Transition Notice: I-Series 3 Slate & EloPOS Z30 with Intel Windows 10 Models

Product Information

While we work to minimize product transitions, they are needed from time to time in order to provide our customers with the latest hardware and software technologies.

The new models are mechanically and electrically identical to the current models, with upgrades including 256GB SSD compared to 128GB SSD and the addition of the Windows 11 LTSC operating system.
