

July 30th, 2026

Product Manager: Bryan Zirkle

Product Management Bulletin
Number: 000-823

Product Update: 1004L, 1304L and 1504L Touchscreen Monitors

Product Information

To support customers expanding into healthcare and other specialized medical environments, Elo is enhancing the 04L touchscreen monitor line with new compliance and configuration options. Built with optical bonding for brilliant clarity and a durable IP54- and IK08-rated design, the 04L monitors now support IEC 60601-1 certification for use in medical environments.

Compliance can be achieved when the monitors are powered through Elo's optional AC/DC adapter, integrated USB-C power delivery or another compliant power source — helping customers meet medical safety requirements while maintaining a consistent Elo display platform. To further support specialized deployments, the 04L series is also available in UV-resistant white through make-to-order configurations, offering a clean, modern aesthetic for hospitals, laboratories, clinics, or even specialty retailers.

Samples and Production Timeline

- Existing stock of the 04L black and white models do not reflect the IEC60601-1 on the safety labels, but they may be used as samples for customer testing and evaluation.
- Safety-labeled IEC60601-1 stock will enter circulation as a rolling change with samples to be available in **August 2026** and mass production to follow in **October 2026**.
- Please consult with your sales representative for specific part numbers, details and sample availability.

Part Numbers (Updated Black Models)

Part Number	Marketing Description
E315290	Elo 1004L 10.1-inch Wide LCD Monitor, HD 1280 x 800, Non-touch, Anti-glare, Zero-bezel, No Stand, USB-C, HDMI and DP Inputs, Black, Worldwide
E968703	Elo 1004L 10.1-inch Wide LCD Monitor, HD 1280 x 800, Projected Capacitive 10-touch, USB Controller, Anti-glare, Zero-bezel, No Stand, USB-C, HDMI and DP Inputs, Black, Worldwide
E969110	Elo 1304L 13.3-inch Wide LCD Desktop, Full HD 1920 x 1080, Projected Capacitive 10-touch, USB Controller, Anti-Glare, Zero-Bezel, Stand, USB-A, USB-C, HDMI and DP Inputs, Black, Worldwide
